This 53-minute long [online video appendix](#) with English-language subtitles contains dozens of prosecution witness testimonies for the Maidan massacre trial and the investigation in Ukraine about snipers in Maidan-controlled buildings and areas during the Maidan massacre on February 20, 2014. It includes such testimonies by witnesses among Maidan protesters, relatives of killed Maidan protesters, Ukrainian journalists, and government units' snipers and commanders. The official investigation denied existence of such snipers in the Maidan-controlled buildings and areas.

This is a video appendix of a paper prepared for presentation at the 10th World Congress of the International Council for Central and East European Studies at Concordia University in Montreal in 2020. It is also an updated and expanded video appendix of papers presented at the 2018 Annual Meeting of the American Political Science Association in Boston and the "Regimes and Societies in Conflict: Eastern Europe and Russia since 1956" conference by the Institute for Russian and Eurasian Studies at Uppsala University and the British Association for Slavonic and East European Studies at Uppsala University in 2018 (Katchanovski, 2018a, 2018b).

This online video appendix also supplements previous studies of the Maidan massacre by the author and video appendixes of Maidan massacre trial and investigation testimonies by 46

wounded Maidan protesters and over 80 witness testimonies in the media and social media about snipers in the Maidan-controlled locations. (Katchanovski, 2015, 2016, 2017). The video appendix excludes Maidan trial testimonies by dozens of Berkut defense witnesses concerning snipers in the Maidan controlled buildings.
